

Nihon Karate Dojo General Information.

Traditional Karate Training for Balance, Health, and Harmony

For classes at the Nihon Karate Dojo how do you bill?

We invoice the students monthly. We pass out invoices on the 15th or the 30th. You will be billed based on the date of your enrollment.

Do you have membership dues?

The Nihon Karate Dojo has an annual membership fee to Japan Ryobu-Kai. It is renewed every January.

The USA-NKF membership fee is not mandatory but available for those students that want to compete nationally and internationally. This is a \$50.00 annual membership fee.

When I become a member of Japan Karate-Do Ryobu-kai what does it cost and what do I receive?

The JKR membership is \$15.00 per year. When a student becomes a member he/she receives a red passport that keeps track of your testing dates and function that you may attend. You also receive testing certificates signed by our Sensei Kiyoshi Yamazaki. The certificates are numbered and kept in JKR Headquarters, Tokyo, Japan. JKR patches are also available for \$10.00

Some Students own their own sparring equipment; do I need to purchase equipment?

We do not require new students to purchase any equipment. We do introduce sparring at beginner level but the dojo has some gloves for you to borrow. Though we do recommend students to buy gloves, mouthpiece, and shin insteps at around orange belt level (8th kyu).

Where do I purchase my uniforms and Sparring equipment?

All equipment can be purchased from the NIHON KARATE DOJO. We guarantee our students the best prices on ALL their martial art equipment!

How much does belt testing cost?

Yellow-Orange	\$30.00
Green-blue	\$50.00
Purple-Brown	\$60.00

Why is there a testing fee?

Each dojo charges a separate testing fee payable to the Dojo. All karate information is taught at specific belt levels but because belt testing is not mandatory it is considered separate from the regular class. The fee also includes a FRAMED certificate from Japan and New Belt.

Do you offer private lessons and how much does it cost?

Yes we do offer private lessons. The fee for private lessons is \$30.00 per hour.

“We love to teach and train with our students. Please never hesitate to ask us about your training or anything regarding the dojo”

Nihon Karate Dojo Head Instructors:

- Sensei Chad Eagan
